Selection of Auditors

Certified public accountants audit the College's financial statements as authorized by the South Carolina Technical College System (SCTCS) Fiscal procedure manual (06/1974) /section 21, as revised.

1. Selection of the Certified Public Accounting (CPA) firm to perform the audit in any given year is accomplished using a request for proposal (RFP), standardized by the South Carolina (SC) State Auditor department and promulgated through the SCTCS Financial Affairs Office.
2. The RFP must follow South Carolina procurement laws and regulations.
3. The Director of Procurement and the Comptroller will maintain copies of the approved RFP form.
4. The RFP must be completed and advertised for bid.

5. The RFP must be advertised in the South Carolina Business Opportunities (SCBO) publication and may be advertised elsewhere at the discretion of the College.
6. Bids must be received by the advertised deadline.
7. The Aiken County Commission for Technical and Comprehensive Education will make the selection after receiving a recommendation from a committee formed to review RFP submittals.
8. The review committee, at a minimum, shall include members of the Commission's Building and Finance Committee, the Vice President of Administrative Services, the Comptroller, and the Director of Procurement.
9. The State Auditor's Office must approve the final choice before the College may award the bid to the successful CPA firm.
